AURANODE VOICE FRONT DESK · FOR HVAC OPERATORS

PILOT LEAVE-BEHIND

30-DAY PAID PILOT

Stop losing booked jobs to *voicemail*.

Every call answered. Every booking on your Google Calendar. Every edge case routed to your dispatcher — in under two seconds, with a transcript on every call.

FOR THE CALLS YOU'RE LOSING

After-hours, daytime overflow, and the ones that ring out while a tech is on a job. The phone they've always called still rings — Auranode just picks up faster.

AI DISCLOSURE

Measured across our 22-scenario scripted QA suite, not live customer traffic. Auranode is pre-first-customer: every call behind these numbers was placed by us. Your pilot would be the first real one.

HOW EVERY CALL GOES

1

Answer

Your number forwards to Auranode. The line never rings out.

2

Disclose

Clear AI disclosure on every call. No surprises.

3

Qualify

Service type, preferred window, ZIP code.

4

Book

Lands directly on your Google Calendar.

5

Escalate

Anger, urgency, off-script — to your dispatcher.

WHAT YOU KEEP IN CONTROL OF

YOUR NUMBER

Forwarded or ported. Customer-facing experience unchanged.

YOUR CALENDAR

Bookings land on your existing Google Calendar.

YOUR HOURS

After-hours, overflow, or 24/7. Your call.

YOUR DISPATCHER

Always wins. AI never argues with a customer.

YOUR TRANSCRIPTS

Every call. Searchable. Yours to keep.

YOUR ROLLBACK

Forward your number back. Pilot is reversible.
